**Re: Parking Removal at the intersection of 4th Street SW and M Street SW  
NOI #19-227-TOA**

Dear Chairperson Fast:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction:

- **Remove 20’ of parking on the south side of M Street SW, east of its intersection with 4<sup>th</sup> Street SW**

This modification is the result of an ANC resolution sent to DDOT in February 2019 requesting the removal of one parking space in order to address the issue of bus bunching at the intersection. This modification is being proposed to reduce crosswalk obstruction and increase safety for all users at the intersection.

All comments on this subject matter must be filed in writing, no later than thirty (30) business days after the date of this notice, with the District Department of Transportation (DDOT), Transportation Operations Administration at 55 M Street, SE, Washington, D.C. 20003. Comments may also be sent via email to Evian Patterson at [evian.patterson@dc.gov](mailto:evian.patterson@dc.gov). If you would like to check the status of this Notice of Intent (NOI), please visit DDOT’s website at: <http://ddot.dc.gov/service/ddot-notice-intent>.

Sincerely,

Evian Patterson  
Associate Director  
Parking and Ground Transportation  
District Department of Transportation
